# HOSPITAL INSPECTOR RE-CERTIFICATION SEMINAR SCHEDULE FOR 2006

OSHPD has scheduled recertification seminars that will cover code updates, inspection procedures, requirements and techniques used in Health Facilities and Acute Care Hospitals. These one-day seminars are designed to fulfill the education requirement for recertification. To renew and maintain a valid certification, the Hospital Inspector must participate in a written recertification examination before the expiration of his/her certification. **Certifications expire at the end of the expiration month.** Certified Hospital Inspectors may apply to take the written recertification examination at the conclusion of this seminar by submitting the applicable fees with this registration form. Recertification seminars are offered each year in the Sacramento and Los Angeles areas. The schedule for upcoming and future recertification seminars is provided below. Review your certification expiration date and plan to participate in the seminar and examination best for you. Recertification is required prior to the expiration of your certification. Reservations may be faxed to (916) 654-2973 or mailed to the address on the registration form below. If you do not recertify within this required time period, you will need to take the complete examination for a new certification. Inspectors must hold a current certification to serve as an Inspector of Record.
